MEMORANDUM FOR THE RECORD

SUBJECT: Presidential Signing Statement
Fiscal Year 1989 Intelligence
Authorization Act (H.R. 4387)

I spoke telephonically with Ron Peterson, OMB, on 26 September at 10:20 a.m. and advised him that the Agency acquiesced subject to certain changes as follows:

1. The Agency wants the DOJ draft introductory paragraph deleted entirely and our draft paragraphs 1 and 2 substituted therefore. He agreed that would be okay and indicated that he felt DOJ would have no problem.

2. In the DOJ draft 2nd paragraph introductory sentence, the Agency wanted minor word changes which are indicated on the attachment which reflects that which we would agree to using DOJ's draft of the statement as a base. Peterson agreed to the changes.

One Hundredth Congress of the United States of America

AT THE SECOND SESSION

*Begun and held at the City of Washington on Monday, the twenty-fifth day of January,
one thousand nine hundred and eighty-eight*

An Act

To authorize appropriations for fiscal year 1989 for intelligence and intelligence-related activities of the United States Government, for the Intelligence Community Staff, for the Central Intelligence Agency Retirement and Disability System, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Intelligence Authorization Act, Fiscal Year 1989".

TITLE I—INTELLIGENCE ACTIVITIES

AUTHORIZATION OF APPROPRIATIONS

SEC. 101. (a) Funds are hereby authorized to be appropriated for fiscal year 1989 for the conduct of the intelligence and intelligence-related activities of the following elements of the United States Government:

- (1) The Central Intelligence Agency.
- (2) The Department of Defense.
- (3) The Defense Intelligence Agency.
- (4) The National Security Agency.
- (5) The Department of the Army, the Department of the Navy, and the Department of the Air Force.
- (6) The Department of State.
- (7) The Department of the Treasury.
- (8) The Department of Energy.
- (9) The Federal Bureau of Investigation.
- (10) The Drug Enforcement Administration.

(b) None of the funds authorized to be appropriated by this Act may be used to procure more than three Guardrail RC-12K aircraft and sensor suites until the Department of the Army has submitted to the Permanent Select Committee on Intelligence and the Committee on Armed Services of the House of Representatives and to the Committee on Armed Services of the Senate a report detailing the long-range plans and budgetary commitments to meet the future requirements for tactical airborne reconnaissance in support of the United States Army. The report should include, but not be limited to, the contribution of remotely piloted vehicles and other reconnaissance assets.

(c) Of the funds authorized to be appropriated in this Act for the Defense Intelligence Agency, the Secretary of Defense may transfer not to exceed \$15,100,000 to appropriations for the foreign counter-intelligence activities of the Federal Bureau of Investigation.

(d) The expiration date provided for in section 803(b) of the Intelligence Authorization Act for Fiscal Year 1986 (Public Law 99-169) shall be extended until December 31, 1989.

NOTE TO THE DIRECTOR

Judge Webster:

The White House, as promised, has forwarded to me this proposed signing statement that Justice proposed regarding our Authorization Bill. The second paragraph addresses the Agency's Inspector General.

OMB must craft a final signing statement this morning. They have given me until 10:30 a.m. to comment on this draft, which they are tempted to combine with the two paragraphs (which did not address the Inspector General) that we sent downtown last week.

Justice feels it must also add a paragraph underscoring that we have not agreed to racial quotas in the EEO provision.

I would appreciate hearing your views.
